

Alan Clarke

*President
Network Solutions
Tyco Electronics*

Alan Clarke serves as President of the Network Solutions segment of Tyco Electronics, one of the world's largest providers of engineered electronic components, network solutions, undersea telecommunication systems and specialty products. With fiscal 2008 sales of US\$14.4 billion, Tyco Electronics has approximately 75,000 employees in 50 countries.

As leader of the company's Network Solutions segment -- one of the world's largest suppliers of infrastructure components and systems for telecommunications and energy networks -- Mr. Clarke is responsible for all aspects of sales, development and operations for the segment worldwide.

Mr. Clarke worked for Raychem Corporation, which was acquired by Tyco International, in both Europe and Asia holding senior management positions. These included Vice President of the Telecom Division, where he was responsible for the marketing, operations and development worldwide; Asia Division Manager for the Telecom and Energy Division; and various European marketing and sales roles. He has been involved in the telecommunications industry for over 20 years.

Mr. Clarke holds a bachelor's degree in Engineering from Leicester University, UK, and worked for civil engineering companies in the UK before obtaining a Master of Business Administration from the London Business School, UK.

ABOUT TYCO ELECTRONICS
