

Terrence R. Curtin

*Executive Vice President
Chief Financial Officer
Tyco Electronics*

Terrence Curtin is Executive Vice President and Chief Financial Officer (CFO) of Tyco Electronics, one of the world's largest providers of engineered electronic components, network solutions, undersea telecommunication systems and specialty products. With fiscal 2009 sales of US\$10.3 billion, Tyco Electronics has approximately 75,000 employees in 50 countries.

As CFO, Mr. Curtin is responsible for developing and implementing the financial strategy for Tyco Electronics and for creating the financial infrastructure necessary to drive the company's financial direction, vision and compliance initiatives.

Prior to his current role, Mr. Curtin was the Vice President and Corporate Controller of Tyco Electronics. In this capacity, he oversaw Tyco Electronics' financial reporting, control and accounting policies, including the company's Sarbanes-Oxley compliance activities.

Before joining Tyco Electronics, Mr. Curtin was employed by Arthur Andersen & Co., where he served in the audit and accounting advisory services group with a focus on large multinational public companies.

Mr. Curtin holds a bachelor's degree in Accounting from Albright College, Pennsylvania, U.S., and is also a Certified Public Accountant.
