Re: European Commission Directive 2006/122/EC of 12 December 2006 regarding PFOS

We hereby confirm that Tyco Electronics products and manufacturing processes are in compliance with the above referenced Directive restricting the use of perfluorooctane sulfonates (PFOS). This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information provided by our suppliers.

For additional information regarding Tyco Electronics Product Compliance initiatives including RoHS, please visit our Customer Support Center at www.tycoelectronics.com/customersupport/rohssupportcenter .
